PRESS RELEASE

**EXCLUSIVE PLACES - THE NYMPHENBURG PORCELAIN MANUFACTORY OPENS ITS DOORS
TO GUESTS OF THE CHARLES HOTEL**

Munich - The Charles Hotel, a Rocco Forte hotel, has partnered with Excellent Experiences to take guests of the hotel on an exclusive behind the scenes tour of the world-famous Nymphenburg Porcelain Manufactory. Normally closed to the public, guests will get unique insight into the long held traditions dating back to 1761 and production of the porcelain to better understand what makes Nymphenburg Porcelain Manufactory works of art internationally sought after by designers such as Christian Lacroix and Vivienne Westwood to name a few.

Excellent Experiences, who are local designers of creating unique experiences, will meet guests in the hotel's "Library Lounge", where Claire, the famous porcelain rhinoceros from the Nymphenburg Manufactory is on display. Here, guests will be introduced to the traditional history of the Royal Manufactory whilst enjoying a glass of champagne and an amuse bouche before being transported by limousine to the Nymphenburg Palace for an exclusive guided tour of the workshop to see the artists at work.

Following the tour, enjoy Afternoon High Tea in the Blue Salon of the palace – served, of course, in the finest Nymphenburg porcelain. Before the tour concludes with a walk through the palace park, accompanied by stories and anecdotes about the origins of what was once the summer residence of Royal Family and rulers of Bavaria, each guest will receive a beautiful porcelain mug, personalised with their own initials – a unique item that turns this unforgettable adventure into a truly 'Excellent Experience' right up to its conclusion.
